

Financial Tips To Enhance Your Daily Life

Tip 1 Get Double Benefits By Filing Cases in the Small Claims Court

File a case in the small claims court to double the amount you can collect if you win. Moreover, you won't need any lawyer to file your case.

According to the new state law in Dallas as per Senate Bill 2342, the threshold of a case jumps to \$20,000 from \$10,000. It will most probably come into effect in September 2020. With the increasing inflation, it becomes tougher to bring cases in small claims. To encourage people the amount has been doubled as the last change was made around 20 years ago.

Tip 2 File FDCPA Lawsuit Within One-Year From When The Violation Occurred

Have you been sued by the debt collector for a default judgment? Check the details properly. As per the new rule (US Supreme Court ruled 8-1), the one-year filing deadline for the FDCPA lawsuit will be considered from the time the violation has taken place instead of the time it is discovered.

Tip 3 Wait Till Chapter 7 Bankruptcy is Discharged to Avoid Rejection on Car Loan

Have you filed for bankruptcy recently? If so, then don't make a plan to buy a car. You have to wait till your Chapter 7 bankruptcy is discharged. Otherwise, it'll be difficult for you to finance a vehicle. The lenders might not approve someone with an open Chapter 7 bankruptcy.
