

## Financial Tips To Enhance Your Daily Life

### Tip 1 Pay Off Your Debts To Get Benefits From New FICO Scoring System

More than 110 million Americans may find changes in their credit report very soon. FICO is coming up with its new credit scoring model, known as FICO score 10 Suite. Now, FICO will consider trended data to provide creditors a more detailed view of your creditworthiness. Trended data will have the information on how you have managed your credit accounts in the past 2 years. If you don't have a history of paying off your outstanding balance amount in full every month, your credit score may drop!

However, the good news is, FICO is going to implement this new scoring model during mid-2020. So, make sure to pay off your outstanding balance amounts in full every month. Otherwise, you might notice a drop in your credit score!

### Tip 2 Take Advantage of CARES Act to Fight Against Economic Devastation & COVID-19

The world is going through a huge economic slowdown due to the COVID-19 pandemic. The United States of America is suffering the most. As per the report, almost 3.3 million people have filed claims for unemployment so far, it'll increase day-by-day. To fight against the economic devastation and COVID-19, President Trump has signed a \$2 trillion stimulus package, known as the CARES Act.

### Tip 3 Use Special Collection Forbearance & Temporary Relief Programs to Pay off Debts

The whole world is suffering from the panic of Covid-19. The USA has now become the epicenter of Corona Virus. It's not only killing people but also the financial backbone of the country. People are stuck in the house and don't know how to repay the credit card bills on time. but, you don't have to worry about this, you'll get temporary relief programs to pay off debts.
